- TWS

Informa Markets
Regional Conferences

International Renewable Energy Asia Conference

"Accelerating the Transition to Carbon Neutrality in ASEAN"
- Focusing on the exchange views, energy policies, research, and technologies

International Electric Vehicle Technology Conference

"The Vision for Future Mobility in Response to Bio-Circular-Green Economy"
- Attends to EV researchers and policy-makers from ASEAN who share their expertise on how to move the industry forward

ASEAN Bioenergy & Bioeconomy Conference
- Promoting the exchange of views, policies, research, and technologies on the BCG model related to ASEAN’s bioenergy and climate change initiatives.
7th Global District Energy Climate Awards & Asia Urban Energy Assembly

- Celebrating award winning District Energy projects, and facilitating discussions on the theme "Towards a carbon neutral future, covering Smart Energy City (SEC), Multi Energy Systems (MES), District Energy (DE), and related energy topics.

5G Data Center Energy Efficiency

-Special conference on technological innovations such as AI, Cloud Computing, Big Data or 5G technology and how it plays a vital role in daily life and for industry.

Water Forum

“Enhance the Capability of Water Resource Management to Support Climate Change in Accordance with the COP26 Policy”

-A platform for professionals and researchers to share new advances, research findings, and experiences in water management, including new technologies and progress in water.
Why QSNCC?

✓ Freshly: The latest modernize exhibition venue in Bangkok and fully equipped with facilities

✓ Center Area: Located in the heart of the city, Close to the Central Business District (CBD)

✓ New Opportunity: Expand an opportunity to reach executive level and purchasing power customers who the head office located in the city center

✓ Easy to Access: Connect directly to underground subway station (MRT) under the venue's name. One station away from the interchange of the mainline of the sky train

✓ Adequate Parking Space: The venue has two underground floors for parking of around 3,000 cars

✓ Short Travel: Only 15 minutes drive from BITEC International Convention Center (the original location)
New Exhibition Venue

QUALITY AND SUSTAINABILITY

- Management Policy
- Energy Efficiency
- Water Efficiency
- Waste Management
- Food Services
- Social Responsibility
- Hygiene
